

Disclosing Tablets

WITHOUT
ERYTHROSINE
& GLUTEN

- Advanced two-tone disclosing agents that allow quick and easy identification.
- Zooby® Disclosing Tablets turn **newer plaque red** and **older plaque blue**, and help educating children on how to improve their at-home oral care routines.
- Ideal for usage at home.
- Gluten-free and without erythrosine (E127). Fruity taste.

Instructions for use:

1. Chew one tablet
2. Wipe teeth with tongue
3. Rinse mouth. Spit out. Old plaque appears blue, and newer placque appears red.
4. Brush and floss teeth thoroughly to remove all stain.
